CQC RATED

Good

EVERYDAY CARE

A little help.
A fuller day.

Stay comfortable in familiar surroundings, with practical support that respects your dignity and independence.

01 Personal care

Sensitive help with bathing, dressing and grooming, shaped around your preferences.

02 Meals & daily living

Support with meal planning, shopping and preparing nutritious meals.

03 Medication & mobility

Assistance with medication, moving around at home and support to reduce the risk of falls.

04 Companionship & outings

Company at home, with support for appointments, errands and social activities.

SUPPORT THAT FITS

Care shaped around your life.

Live-in & overnight care

Support at home for people who need ongoing assistance, reassurance and companionship.

Dementia care

Personalised help with everyday activities for people living with Alzheimer's disease or dementia.

Outreach & supported living

Person-centred support for adults with learning disabilities and autism, focused on strengths, choices and independence.

Working with you, your family and professionals to shape a personalised care plan.
